

Hatton Locks

Client – British Waterways

Provision of outdoor interpretation, an interpretive map leaflet and artist-designed picnic benches

Contract value £55,000

Community consultation was at the heart of this project which provided a cohesive package of interpretation for day visitors, boaters and school groups at this popular visitor destination on the Grand Union Canal in Warwickshire.

- Interpretive Map leaflet (part of series that was overall winner in Interpret Britain Awards – we have also produced Interpretive Maps for Stourbridge Canal, Gloucester & Sharpness Canal, Tring Reservoirs, Sowerby Bridge, Trevor Basin & Pontcysyllte Aqueduct)
- Waterway Words interactive game
- Stainless steel dragonfly sculpture
- Orientation point
- Family nature trail with crayon rubbing posts
- Hatton Locks History web page
